These areas are to be left untouched to allow for nature to take its normal course. Vegetation that dies including, but not limited to trees, are left to fulfill their role in nature's process.

Reservations must be made at least 2 weeks before the rental date, i.e., the Facility Rental Agreement must be completed, and payment received. One payment must be in the amount of the venue rental fee and the other payment must be in the amount of Two Hundred Dollars (\$210.00) as a deposit per venue room. A cleaning and sanitizing fee of Two Hundred Dollars (\$210.00) will be added to each rental fee. The Resident Services Office has the authority to reasonably deny a request. Denial of a request may be appealed to the District’s Board of Supervisors for consideration. Reservations for Charity Events must be made at least ninety (90) days in advance of event and are contingent on District Board approval.
3. Deposit: A deposit in the amount of Two Hundred Dollars (\$210.00) per venue room is required at the time the reservation is made. The deposit will be refunded in full if all conditions listed on the Facility Rental Agreement are met. The District may retain all or part of the deposit if the District determines, at its sole discretion,

that it is necessary to repair any damages arising from the rental or if one or more of the conditions of the Facility Rental Agreement are not met.

4. Cancellation Policy: Cancellation of a reservation less than thirty (30) days from the reserved date will result in the loss of the rental fee and return of the deposit.
5. Staffing: One (1) staff person is required to be present during the facility rental period. Should alcohol be added to the Venue rental, an additional staff person is required by the District to be present, as such, an additional \$131.25 rental fee will be added to the total amount owed.
6. Insurance Coverage: Additional liability insurance coverage may be required for any event that is approved to serve alcoholic beverages. This policy also pertains to certain events the District feels should require additional liability coverage on a case-by-case basis to be reviewed by the District Manager or Board of Supervisors. The District is to be named on these policies as an additional insured party.
7. Cleanup: Patron's cleanup responsibility shall include, but not be limited to, placing all trash and refuse in appropriate receptacles, removing all property that does not belong to the District from the Premises. Returning all-District furnishings to their original positions and clearing of tables of any food or drink debris.
8. Late Fees: As stated above, the Rental Period consists of a beginning time and an ending time. Patron hereby assumes full responsibility for vacating and returning all parts of the rented Premises to the District in the same condition as they were in when Patron took possession of the Premises by no later than the ending time of the Rental Period. Patron shall pay a Late Fee to the District of one hundred fifty dollars (\$157.50) for each additional partial to full hour that it, its agents, or property possess the facility. The District may, at its sole discretion, deduct any Late Fee from the deposit retained by the District.
9. Use of the Kitchen: Portions of the kitchen in the Palmetto Club are off limits to Patrons for venue rentals unless you have hired a professional catering provider who brings all their own equipment to use. None of the equipment in the kitchen is allowed to be used by Patrons or their provider except for the sinks, microwave, refrigerator, and water.

Crimes committed or allegedly committed on District property shall automatically result in an immediate suspension until the next Board meeting. In addition to other violations in the District's discretion, the following offenses may result in an immediate suspension:
 - Walking, climbing, or jumping from the waterfall rocks at the pool will result in immediate suspension for up to one (1) year.
 - Failure to follow slide procedures will result in loss of Patron's slide privileges and/or expulsion from the pool facilities for one (1) day. Subsequent violations may result in longer suspensions.

 - Disrespectful or threatening behavior or language toward staff will result in an immediate suspension.
 - Otherwise, if, based on the nature of the offense, staff recommends a suspension longer than thirty (30) days, such suspension shall be considered at the next Board meeting.
- b. ***Non-Immediate Suspension.*** The District shall follow the process below regarding Suspension or Termination due to offenses not requiring immediate suspension of privileges:
- ***First Offense.*** A First Offense Violation will result in written notice of the violation being given to Patron and a copy of such notice being filed in the Resident Services Office.
 - ***Second Offense.*** A Second Offense Violation will result in an automatic suspension of all amenity privileges for up to thirty (30) days. Written notice will be given to Patron and a copy of such notice will be filed in the Resident Services Office
 - ***Third Offense.*** A Third Offense Violation will result in a suspension of all amenity privileges until the next Board of Supervisors Meeting, at which time District Staff may recommend suspension for up to one (1) calendar year. A record of all previous offenses will be presented to the Board for a recommendation of termination of Patrons privileges A written notice will be given to Patron as to the Board's decision.
- c. ***Permanent Termination.*** Permanent termination of access to the District's Amenity Facilities shall only be considered and implemented by the Board in situations that pose a long term or continuing threat to the health, safety and/or welfare of the District, its staff, contractors, representatives, residents, Patrons or Guests. The Board, in its sole discretion and upon motion of any Board member, may vote to rescind a termination of access to the Amenity Facilities.
- d. ***Notice of Suspension.*** The District Manager or his or her designee shall mail a letter to the person suspended referencing the conduct at issue, the sections of the District's rules and policies violated, the time, date, and location of the next regular Board meeting, and a statement that the person

has a right to appear before the Board and offer testimony and evidence to appeal the suspension. If the person is a minor, the letter shall be sent to the adults at the address within the community where the minor resides. If contact information for the owner of the property differs from the contact information for the person committing the violation, notice shall also be provided to the owner of the property.

6. Administrative Reimbursement. The Board may in its discretion require payment of an administrative reimbursement of up to Five Hundred Dollars (\$500) in order to offset the actual legal and/or administrative expenses incurred by the District as a result of a Violation ("Administrative Reimbursement"). Such Administrative Reimbursement shall be in addition to any suspension or termination of Amenity access, any applicable legal action warranted by the circumstances, and/or any Property Damage Reimbursement (defined below).

7. Property Damage Reimbursement. If damage to District property occurred in connection with a Violation, the person or persons who caused the damage, or the person whose guest caused the damage, or the person who has charge of a minor that caused the damage, shall reimburse the District for the costs of cleaning, repairing, and/or replacing the property ("Property Damage Reimbursement"). Such Property Damage Reimbursement shall be in addition to any suspension or termination of Amenity access, any applicable legal action warranted by the circumstances, and/or any Administrative Reimbursement.

8. Initial Hearing by the Board; Reimbursements.

- a. If a person's Amenity Facilities privileges are suspended, as referenced in Section 5, a hearing may be held at the request of the suspendee, any member of District staff, or any Board member at the next regularly scheduled Board meeting that is at least eight (8) days after the initial suspension, as evidenced by the date of notice sent by certified electronic or other mail service (or as soon thereafter as a Board meeting is held if the meeting referenced in the letter is canceled), during which both District staff and the person subject to the suspension shall be given the opportunity to appear, present testimony and evidence, cross examine witnesses present, and make arguments. The Board may also ask questions of District staff, the person subject to the suspension, and witnesses present. All persons are entitled to be represented by a licensed Florida attorney at such hearing if they so choose. Any written materials should be submitted at least seven (7) days before the hearing for consideration by the Board. If the date of the suspension is less than eight (8) days before a Board meeting, the hearing may be scheduled for the following Board meeting at the discretion of the suspendee.

- b. The person subject to the suspension may request an extension of the hearing date to a future Board meeting, which shall be granted upon a showing of good cause, but such extension shall not stay the suspension.
- c. After the presentations by District staff and the person subject to the suspension, the Board shall consider the facts and circumstances and determine whether to lift or modify the suspension or impose a termination. In determining the length of any suspension, or a termination, the Board shall consider the nature of the conduct, the circumstances of the conduct, the number of rules or policies violated, the person's escalation or de-escalation of the situation, any prior Violations and/or suspensions, and any other relevant information.
- d. The Board shall also determine whether an Administrative Reimbursement is warranted and, if so, set the amount of such Administrative Reimbursement.
- e. The Board shall also determine whether a Property Damage Reimbursement is warranted and, if so, set the amount of such Property Damage Reimbursement. If the cost to clean, repair and/or replace the property is not yet available, the Property Damage Reimbursement shall be fixed at the next regularly scheduled Board meeting after the cost to clean, repair, and/or replace the property is known.
- f. After the conclusion of the hearing, the District Manager shall mail a letter to the person suspended identifying the Board's determination at such hearing.

9. Suspension by the Board. The Board on its own initiative acting at a noticed public meeting may elect to consider a suspension of a person's access for committing any of the Violations outlined in Section 4 or to consider any prior suspension to determine if a modification is warranted. In such circumstance, a letter shall be sent to the person suspended which contains all the information required by Section 5, and the hearing, if requested or otherwise required, shall be conducted in accordance with Section 8.

10. Automatic Extension of Suspension for Non-Payment. Unless there is an affirmative vote of the Board otherwise, no suspension or termination will be lifted or expire until all Administrative Reimbursements and Property Damage Reimbursements have been paid to the District. If an Administrative Reimbursement or Property Damage Reimbursement is not paid by its due date, the District reserves the right to request surrender of, or deactivate, all access cards or key fobs associated with an address within the District until such time as the outstanding amounts are paid.

11. Appeal of Board Suspension. After the hearing held by the Board required by Section 8, a person subject to a suspension or termination may appeal the suspension or termination, or the assessment or amount of an Administrative Reimbursement or Property Damage Reimbursement, to the Board by filing a written request for an appeal ("Appeal Request"), as referenced in Section 8(e). The filing of an Appeal Request shall not result in the stay of the suspension or termination. The Appeal Request shall be filed within thirty (30) calendar days after mailing of the notice of the Board's determination as required by Section 8(f), above. For purposes of this Rule, wherever applicable, filing will be perfected and deemed to have occurred upon receipt by the District. Failure to file an Appeal Request shall constitute a waiver of all rights to protest the District's suspension or termination and shall constitute a failure to exhaust administrative remedies. The District shall consider the appeal at a Board meeting and shall provide reasonable notice to the person of the Board meeting where the appeal will be considered. At the appeal stage, no new evidence shall be offered or considered. Instead, the appeal is an opportunity for the person subject to the suspension or termination to argue, based on the evidence elicited at the hearing, why the suspension or termination should be reduced or vacated. The Board may take any action deemed by it in its sole discretion to be appropriate under the circumstances, including affirming, overturning, or otherwise modifying the suspension or termination. The Board's decision on appeal shall be final.

12. Legal Action; Criminal Prosecution; Trespass. If any person is found to have committed a Violation, such person may additionally be subject to arrest for trespassing or other applicable legal action, civil or criminal in nature. If a person subject to a suspension or termination is found at the Amenity Facilities, such person will be subject to arrest for trespassing. If a trespass warrant is issued to a person by a law enforcement agency, the District has no obligation to seek a withdrawal or termination of the trespass warrant even though the issuance of the trespass warrant may effectively prevent a person from using the District's Amenity Facilities after expiration of a suspension imposed by the District.

13. Severability. If any section, paragraph, clause or provision of this rule shall be held to be invalid or ineffective for any reason, the remainder of this rule shall continue in full force and effect, it being expressly hereby found and declared that the remainder of this rule would have been adopted despite the invalidity or ineffectiveness of such section, paragraph, clause or provision.
